Tom- I forgot how responsive you are. I also forgot to tell you that I am taking tomorrow off. If you are off on Friday, how about Monday morning?

Hi Tom,

I know you are booked up with training now, but when you have a chance please let me know what your schedule looks like for the next couple of weeks. I'd like us to talk with Kristen about the proposed well locations and whether any need to be changed/added based on the revised model figures.

Thanks.
